Not too slowly

The sym - bol of one - ness, San-gam is our pride; where
love and af-fec-tion change not like the tide. Re-gard-less of co-lour, re-
li - geon or creed, for peace in all the world we sow the seed.
Guides of all na - tions, hand in hand we stand. In
good - will and friend - ship u - ni - ted our band. To
serve and help o - thers we try to be strong, and sing with joy as we go
march - ing a - long. **slower** San - gam, O San - gam; sym - bol of one - ness.
