

# Taps

Cabana 69

Reverently

Day is done, Gone the sun, From the lake, from the hills, from the  
Daylight Taps Thanks and praise, For our days, 'Neath the sun, 'Neath the stars, 'Neath the  
sky, All is well, Safe - ly rest. Peace is nigh.  
sky, As we go, This we know. Peace is nigh.

The word "lake" may be replaced by "sea" for those who live near the sea.

Original wording: God is nigh.

The word "Taps" was originally applied to the tapping on a drum which in the American army was the signal to retire.  
When later the bugle was used, the call retained its original name.
