

## Welcome to My District – a BC Membership Challenge

Membership belongs to all of us! Keep Guiding strong and growing.

Everyone can earn a crest to be ordered from the BC website. Sparks and Brownies do three challenges, Guides four, everyone else five. Do it individually, as a Unit or as a district. This challenge will enhance your Area Community plans. Activities may be adapted to suit your community. Do any of the items although some are more suitable for adults.

**Remember to wear your uniform while completing the challenges**
