Re: **'Treasure Box'**

Here, at long last, is your District's 'Treasure Box'. We hope that you will find the resources included in this kit useful and fun. The purpose of the 'Treasure Box' is to provide Guiders with a variety of simple, engaging activities that will help develop map-reading and compass skills.

Inside the kit you will find a set of pink 'idea cards' and some supplies to go with the cards. You may want to put them into alphabetical order. The 'idea cards' have directions and supply lists for a range of activities that can be adapted for various ages and settings. Sample meetings are included for Sparks, Brownies, and Guides. The purple folder contains master sheets to photocopy for use with some of the cards. The directions for all items in the kit can be found on the 'idea cards'. The list of contents for the 'Treasure Box' is included. ☺_

We hope that the box itself will also be useful, both as a place to hide 'treasure' and as a storage container for your District compasses (not included).

If you have questions about the kit, please contact us at program@bc-girlguides.org

Sincerely,

Crystal Boser
