

The BC Camping Committee is very pleased with the wonderful response we have had to the **Get BC Camping Challenge**. BC Council is continuing to provide the crests at no charge to you.

This popular challenge will continue in the coming year. In 2008 we intend to revise some of the criteria and modify the crest. If you have any skills you would like to see included in the revision, please send them to:
Camp@bcgirlguides.org.

We are continuing this Challenge to encourage you to take your girls camping in all four seasons. Here at BC camping we enjoy reading about the skills you have taught your girls, and where you took them to camp. We hope you are continuing to use girl centered programming, and are consulting the girls in your unit as to what challenges they would like to complete in order to earn their crest.

Please send us your requests **once you have finished** the current seasonal Challenge.

Thank-you for all the wonderful camping memories you are making with our girls.
