

SCIENCE IN A BOX CHALLENGE

The Science in a Box Challenge is a great way to have fun with the Science in a Box that each District received in 2003. If you are not sure where your District's Box is, just ask your District Program Adviser or Commissioner.

CHALLENGE REQUIREMENTS:

SPARKS: Complete any 4 experiments from the Science in a Box Booklet

BROWNIES: Complete any 5 experiments from the Science in a Box Booklet

GUIDES: Complete any 7 experiments from the Science in a Box Booklet

PATHFINDERS: Complete any 7 experiments from the Science in a Box Booklet including 2 experiments with another Branch.

SENIOR BRANCHES & GUIDERS: Complete 7 experiments from the Science in a Box Booklet including 4 experiments with another branch.

This is a 2-part challenge:

1. Science in a Box Challenge; and,
2. G.E.T. (Girls Exploring Technology Challenge)

Once you completed both Challenges, send your completed Crest Order Form to your District Program Adviser who will get your Unit's free crests.
