

AFRI CAN PEN PALS

Would you like to make new Guiding friends in a far away country?
Would you like to find out more about life and Guiding in Africa?

The Guides and Guiders I met in Tanzania were very eager to find some Canadian pen pals. If you are interested in communicating with them, you can contact one or more of the following Guiders:

Mrs. Syoni Mnzava, Regional Commissioner, Arusha Girl Guides, Box 76, Arusha, Tanzania (all age groups)

Ms. Eliakunda Bagday Nyiti, District Commissioner, Box 130, Monduli, Arusha, Tanzania (all age groups)

Ms. Edida Yona Kimishua, Kikatiti Primary School, Box 83, Usa River, Arusha, Tanzania (Brownies and Guides)

Girl Guides in Tanzania are broken into the following groups:

Tanzanites – 3-6 years old

Brownies – 7-12 years old

Guides – 13-18 years old

Rangers -18 and over

I had a wonderful time in Arusha. The Guiders and the girls were really friendly and welcoming. They live very different lives from us, but we can learn so much from each other. We are all Sisters in Guiding!
