Okanagan Girl Guides Discover the World

[Kelowna – June 20, 2006] - Over 3,000 girls aged 12-16 from across Canada and around the world will be gathering at Guelph Lake, Ontario from July 5-14 to be part of an exciting camp experience *Guiding Mosaic 2006*. The central theme for the camp, Challenge Yourself-Discover the World, encourages participants to explore their potential in an environment of fun, friendship, discovery, and sharing! To engage the girls even further, Guides Canada has set up a website for the event and encourage those who are unable to attend to participate in the online camp challenge. Check out the website at www.guidingmosaic.ca

Travelling from BC's Monashee Guiding Area are 28 girls and 7 guiders from Kelowna, Lake Country, Westbank, Penticton, Vernon and Armstrong. To enable these members to travel to Ontario the girls and guiders have participated in several fundraising activities, selling cookies, catering, making and selling pies and helping in the community. The participants have prepared for their adventure by learning travel and camp skills together this spring and are excited for their departure from Kelowna on July 3rd & 4th.
