## Cleaning Instructions:

- Any item that can go into a dishwasher can be washed in the dishwasher.
- All pots and pans should be thoroughly handwashed, scrubbed & dried.
- The rubbermaid container should be completely emptied, washed and thoroughly dry before and items are repacked.
- The tablecloth should be handwashed & dried before refolding.
- The dishwashing sponge should be rinsed and dried before repacking.
- Any items missing or broken should be noted at the bottom of this list.
- All items **MUST BE DRY** before they are repacked or the contents and bucket will grow mold!!
