November 2010

## BC TREFOIL GUILD NEWSLETTER

### Jottings from JoAnn!

It's hard to believe autumn is here. I'm sure in some parts of the Province you have already experienced snow.

Our 100<sup>th</sup> Anniversary Year is almost over but there have certainly been a lot of events throughout the Province – parades, teas, celebrations and Trefoil Guilds have been involved in almost all of them!

You will be receiving your Rendezvous 2011 registration package in the New Year from the ladies in Quesnel and you need to know that this year we are asking for your iMIS number to be included on the registration form. This is being done at the request of the Provincial Membership Committee as we've discovered a number of ladies have attended Rendezvous' in the past who shouldn't have. You must have a current PRC as well as screening

and mentoring (if you're a new member) to attend. If you have any questions about this please contact me at [trefoilguild@bc-girlguides.org](mailto:trefoilguild@bc-girlguides.org). On the subject of PRC's, it helps if you take the letter you receive from Velma with you to the Police Station.

Have you let your Area / District know what qualifications your members have? There are a lot of Guild members who have a wealth of information that could be used in the Units, i.e. sewing, astronomy, computer skills, etc. Make sure everyone is aware of your Guild's capabilities.

If you are forming, or have formed, a new Guild please ensure you send your secretary's email address to Velma at the Provincial Office. Your Guild should be registered with your Area as well.

I've been advised that some of the Guilds are not aware there is a Trefoil Pin that should be given

to all Members. These pins are available for purchase by requesting them through YOUR Area Commissioner. Unfortunately Guild Members are not able to purchase them directly.

Thank you to those Guilds who have sent me information on Members who have "Gone Home". Please continue to do so in order that our Remembrance Book can be kept current.

Don't forget to send me any news of your Guild to add to the next Bulletin.

Please don't hesitate to contact me if you have any questions.

*Enjoy your Christmas Holidays and have a very Happy New Year 😊*

### UNIFORM NEWS!!!

Are you interested in having a special piece of uniform specifically for Trefoil Members? Would you be willing to pay \$10 - \$15 to purchase it?

There is a **possibility** we will be able to have a Trefoil scarf similar to the one shown. The picture is the Australian Trefoil Scarf with a gold metal woggle. The colour of our scarf would be purple (of course!) with a blue stripe. The colours of the badge used at the Gathering shows the colours. My suggestion would be to have a gold Trefoil at the bottom of each side.

In order for this to happen, I need a commitment from **you**. Therefore I'm asking you to email me to say you are in favour of this proposal. Please let me know by *December 7<sup>th</sup>* if you are interested. For those of you without email, hopefully someone in your Guild will send along your answer.

I was able to speak to Chris Burton, our Chief Commissioner, and unfortunately there will not be any type of uniform piece specifically for Trefoil Members. So the scarf is our answer. I hope you will approve.
