

Come Join the Fun!

Girl Guides of Canada stands for Fun, Friendship & Adventure!

It's a safe place for girls like you to be able to focus on "just being you" while you build the skills that will help you in today's world.

A chance to try a bit of everything!

A place to do fun things with friends.

A way to get involved in your neighbourhood, your community and the world.

**Guiding branches for girls
Join anytime of the year!**
